1. **How often do you play poker with your friends?**

2. **When you play, what day and time of the week is it (most often)? Please include your timezone.**

3. **How long do you usually play for (estimate)?**

4. **Please fill out the following table with your details, as well as that of every friend you would like to play poker in our app with (even if some players may not always be available):**

Name:	iPhone	Android	Google Account or Apple ID **Email Address**:

If there are more than 10 of you, please fill out this form again with the additional names

5. What do you want to name your 'Club'?

Your Club is where everyone you've listed above can see a private leaderboard. This leaderboard will definitively rank you and your friends based on your SKILL at poker.

Give your Club a fun name, e.g. "Jay and the Fam".
